Release Notes PTV Admin Boundaries

1 Introduction

Once a year PTV releases the product PTV Admin Boundaries which, in addition to the municipal boundaries, also includes the boundaries of the districts, administrative districts and federal states. These release notes highlight some general information about the admin boundary world bundle as well as changes between the current and previous release.

The data set PTV Admin Boundaries is based on HERE Administrative Boundaries. The data is built on the most accurate and reliable information possible. However, data gaps or errors cannot be excluded.
